ROOM RADIATORS COLLECTION

ROOM RADIATORS COLLECTION

ROOM RADIATORS COLLECTION

Our room radiator collection blends performance with timeless design. Choose Primo, a classic tubular style suited to both modern and traditional homes, or opt for Enzo, a sleek, flat-fronted model perfect for contemporary spaces. Versatile and efficient, both radiators provide comfortable warmth and can be used in any room of the house.

PRIMO

ENZO

600 x 1200
White Oval Radiator Horizontal
PR612W £496.00

PRIMO

Primo brings a contemporary edge to home heating, with a sleek oval-profile design and subtly curved chambers that create a soft, architectural look. Finished in a premium matt anthracite powder coat or gloss white, Primo delivers both style and performance, making it an ideal choice for all home interiors.

1800 x 480
 Anthracite Oval Radiator Vertical
